

IMPLEMENTATION PLAN – YEAR 1

Mission What is the role of WeRPN’s research program	Vision What does the core purpose of WeRPN’s research program need to be?	Strategic Outcomes What are the biggest factors that will help us achieve our mission?	Funding scheme	Strategic Outputs What we need to work on, for each of our strategic outcomes, to achieve our mission
<p>The aim of WeRPN’s research roadmap is to delineate the phases of WeRPN’s research direction and improve the representation of RPNs in the literature. WeRPN will gather, access, create, and sponsor research evidence to advocate for WeRPN members regarding impact and value of RPN interventions to initiate and pursue meaningful health and nursing policy changes for effective client outcomes.</p>	<p>By 2024, bring together knowledge users, researchers, academics, employers, elected officials and government decision-makers and arm with evidence-informed knowledge, skilled professionals and collaborative partners to create research excellence in the RPN profession.</p> <p>Priorities:</p> <ol style="list-style-type: none"> <li>1. Impact and value of role</li> <li>2. Delivery of care</li> <li>3. Excellence in practice and leading change for better patient outcomes</li> <li>4. Health human resources and workforce planning</li> </ol>	<p>1) create/produce research that reflects current care trends across sectors, emphasizes “discipline specific cognitive skills” , interventions and tactics that demonstrate impact and value of RPNs on residents, patients, clients, families and/or caregivers’ outcomes, according to research priorities</p>	<p>Year 1 (2021-2022) completed Year 2 = (2022-2023) approved Year 3 = TBD</p>	<p>2<sup>nd</sup> Request for Academic Research Proposals; Publications: a) literature review; b) SSHRC results; c) IST/LTC+ results; d) MiTACS report; e) Journal; f) eNewsletters; Presentations: a) oral; b) poster; c) podcast; Establish an evaluation framework with return on investment and measures of success</p>
		<p>2) Create an inquisitive culture of research</p>	<p>Year 1(2021-2022) completed Year 2 = (2022-2023) approved Year 3 = TBD</p>	<p>Active Research Advisory council; 2<sup>nd</sup> Request for RPN Research Fellowship Proposals; Research learning courses: a) Introductory to research eLearning module; b) writing for publication seminars; c) Intermediate research eLearning module; d) Knowledge exchange forum; e) quarterly research webinars; Awards of excellence for research;</p>
