

Career Directions

Scanning Your Environment

It's time to do a scan on your own. Here is a way to get started. Identify three to five current trends and/or issues in health care at the local, regional or national levels:

- 1.
- 2.
- 3.
- 4.
- 5.

Identify three trends in your profession/role:

- 1.
- 2.
- 3.

Identify three issues facing your current workplace:

- 1.
- 2.
- 3.

Describe how the information you've collected above influences your work and your career.
