Advocacy

As the voice of Ontario's Registered Practical Nurses, WeRPN connects with key decision makers to advocate for RPN priorities. Through regular meetings, our annual RPN survey and advocacy day at Queen's Park, we bring attention to key issues such as nurse to patient ratios, fair and professional compensation, and access to continuing education.

"I feel I'm secure as part of a community of nurses."

– New Grad

"There are grants to do ongoing education. It's not just: 'here are some tools,' it's 'here are some tools – and a ladder.'"
