My name is Sarah Morrisette, and I'm a student at TMU. I'm working on my capstone project with WeRPN to explore how RPNs experience WeRPN research communications.

For more information and to register for your focus group click here, or scan the QR code below.

What's Involved:

- A virtual focus group workshop with 4 to 6 RPNs in each group.
 - Includes a survey and a guided discussion (40 to 60 minutes).

Why Participate?

- To help advance information about RPNs by RPNs.
- Inform integration of RPN research into practice.
- Enhance communication strategies for RPNs.
