

Nursing Week 2026

# PRACTICAL MEETS INCREDIBLE

To all nurses and nursing students:

Thank you for the skill, compassion, strength, and dedication you bring to your patients, your teams, and your communities every day.

As the professional association for Ontario's RPNs, WeRPN is proud to celebrate you — your expertise, your resilience, and the difference you make in the lives of so many across Ontario.

Together, we're recognizing the vital role of RPNs and building a brighter future for practical nurses across Ontario.

**Happy Nursing Week — from everyone at WeRPN.**

Join our community  
of nurses today.
